# myTalk

QUICK START GUIDE

CONNECTING TO myTALK

1 In the top menu of your Dashboard, click on the myTalk button to access the service.

2 On the next screen you will see the class schedule, where you will find the following information:

- **A** Class level
- **B** Class topic
- **C** Start Time of the class
- **D** End Time of the class
- **E** Connect class button

3 When you enter the class, click on "Internet Audio".

4 Make sure you enable your microphone and... **enjoy the class!**

IMPROVE YOUR SPEAKING SKILLS

Connect with English language learners from all over the world in conversation on a wide variety of topics. Diversity enriches the learning process!

✓ No previous reservation is needed to connect to the classes. You only need to click on the "Connect Class" button at the start time.

✓ The class timetable is always the same from Monday to Friday.

✓ Topics change every week.

✓ No classes are held on weekends.

✓ You can choose your appropriate class level: Beginner, Intermediate or Advanced.

Tip Be sure to set up your time zone in your user profile.
