

## Unit 6

### Reading

#### 1

The best summary is **B**.

Summary **A** is incorrect. The article doesn't say the climate is changing because people in China etc. are buying fridges and TVs. It is also incorrect when it says the use of fossil fuels is bad for tourism in Spain, Greece and Portugal.

Summary **C** is incorrect because the article does not say only one explanation is right.

#### 2

1 c 2 d 3 e 4 b 5 a
