Hi Dave,

We're at a 5-star hotel in Paris. It's near the Arc de Triomphe and the Eiffel Tower **too**. It's got a fantastic restaurant. The starters and main courses are great. We **also** like the desserts!

The children like our room. It's got a big television and it's got a DVD player **too**. There's **also** a computer with an Internet connection. There's a small fridge and there are **also** some drinks.

There is a cinema near the hotel and a theatre **too**. There are **also** babysitters at the hotel. It's a great hotel for parents!

See you soon!

Love,
Kate
